PROFESSIONAL EXPERIENCE

2016 – 2018 Locale Magazine, Los Angeles, California

Editorial/Event Photographer, Internship

- Capture images for a magazine by following mood board and sending on location samples to creative director for approval as directed.
- Use interpersonal skills when working with clients to build rapport with subjects and quell concerns.
- Set up photographic equipment (lighting, reflectors, white cards, etc.) to create aesthetically interesting photographs.
- Communicate effectively with clients and creative director to guarantee satisfaction.
- Edit and retouch images to ensure quality and color correction. Provide final photos for print and web.

2014 – 2015 Josephine Havlak Photography, St. Louis, Missouri

Second Photographer, Digital Editor, and Color Correctionist

- Documented weddings as second wedding photographer and managed equipment on location.
- Studio assistant and child wrangler.
- Digital editing, color correction, and compositing.

2000 – 2014 Independent Web Designer and Photographer

- Created custom websites for small businesses and artists.
- Worked closely with clients in branding, logo design, brochures and social media.
- Photographed/licensed and performed digital editing, color correction, and compositing of images for websites.
